**NOTICE OF TEMPORARY DELAY OF ENDANGERED STATUS DESIGNATION  
FOR THE  
IRON WORKERS LOCAL UNION NO 5 AND IRON WORKERS EMPLOYERS ASSOCIATION  
EMPLOYEE PENSION PLAN**

This notice is being provided in accordance with Section 204(c)(2)(A)(ii) of the Worker, Retiree, and Employer Recovery Act of 2008 ("WRERA"). That Act made some temporary changes in the multiemployer plan funding rules of the Pension Protection Act of 2006. In December 2008, the U.S. Congress enacted WRERA which permits a multiemployer plan sponsor to elect to temporarily freeze the plan's status under section 432 of the Internal Revenue Code so that it does not change from the prior year. Federal law requires that you receive this notice.

This notice is to inform you that on September 24, 2009, the Board of Trustees of the Iron Workers Local Union No. 5 and Iron Workers Employers Association Employee Pension Trust Fund made an election under section 204 of WRERA to treat the Plan as being neither in endangered nor in critical status for the plan year beginning July 1, 2009.

The plan actuary has certified that the plan would be in endangered status for the plan year beginning July 1, 2009 if no section 204 election were made.

This election applies only for the plan year beginning July 1, 2009. If the plan is certified to be in endangered or critical status for the year following the election year (the plan year beginning July 1, 2010), the plan sponsor will provide you with a notice of the Plan's status (i.e., endangered or critical) for that following year and steps will have to be taken to improve the Plan's funded situation. These steps may include increases in contributions or reductions in future benefit accruals.
